

MANDELLI₁₉₅₃

Maniglie in ottone presso fuso

100% Made in Italy

MARBLE

COLLECTION

The hue of the marble can vary from one batch to another, such as within the same production batch, marble being a natural raw material.

It is therefore natural a variation of hue and grain in the handle.

These differences are not defects but characteristics of the material used.

We strongly recommend the use of door stop.

PAROS

Finishes: 03 04 MBR 26
